All,

This is a revised 72 hour notification for this FOIA from Jesse Coleman of Documented seeking email communications with Energy Counselor DeVito and specific BOEM employees.

After consulting with Mr. Schindler on my July 25, 2018 awareness review, BOEM removed pages 53 57, 66, and 112 179 from the original packet to allow additional time to address Mr. Schindler's concerns. BOEM intends to move forward with release of the remaining pages as no other concerns were raised regarding the release determination.

I intend to release this revised packet (attached) to the requester in 72 hours. I will also work with our FOIA review attorney, Mr. Gurney Small (cc'd here) on the removed pages to come to resolution on the concerns raised by Mr. Schindler.

This has been cleared by Mr. Schindler (thank you!) and was previously cleared by Mr. Small.

If you have any questions or concerns regarding the attached, please contact me directly.

Thank you for your patience and consideration.

Sincerely,

Debra

Debra - I'm seeing things way out of the scope of the FOIA in this release. Can we pause to discuss and refine? Thanks!
